

I personally only listen to KLove and Air 1. I enjoy knowing that my children can listen to all of the programing and I will not be offended in any way. While I do enjoy some popular music much of what is now on the air I do not feel is appropriate for my two sons to listen too. Therefore, I know that as a parent I would not listen to any radio if these stations were to go off the air. I also know that most of my friends are the same way. We all support KLOVE and feel that it needs to be shared with as many people as possible. By taking over the FM stations they would have to go back to AM. And I do not know about you but as far I know very few people listen to AM anymore. Therefore, if they are going to continue to spread their clean message they will need to stay on FM.

Thank You
